# How to reset all of your iPhone's settings

You just want your preferences to go back to factory defaults, resetting all of them is easy.

1. Launch the **Settings** app from your Home screen.
2. Tap **General**.
3. Tap **Reset**. It's all the way at the bottom.
4. Tap **Reset All Settings**. You may have to re-enter your passcode to do so.

Note : If you are not Tech Savvy or not sure/aware of technical stuffs, suggest you to contact your Technical Professionals @ 13 Tech to handle the situation and provide a solution.
