

How to reset your Keyboard Dictionary

If autocorrect is suggesting some truly strange language, it might be time to dump your keyboard dictionary cache.

1. Launch the **Settings**
2. Tap **General**.
3. Tap **Reset**. It's all the way to the bottom.
4. Tap **Reset Keyboard Dictionary**. You may have to re-enter your passcode to do so.

Note : If you are not Tech Savvy or not sure/aware of technical stuffs, suggest you to contact your Technical Professionals @ 13 Tech to handle the situation and provide a solution.
